Stallion: Khomas Luc Skywalker — Buckskin AQHA/SAQHA registered Quarter Horse stallion, foaled 10 August 2019, standing at Wasserfallei, Khomas Hochland, Namibia.

2. Breeding Method

Breeding is by live cover only. On arrival, the mare will be turned out together with the stallion in a breeding camp for approximately 2–4 weeks to allow natural pasture breeding.

3. Stud Fee

The stud fee is N\$3,000 (three thousand Namibia Dollars), payable in full on the mare's arrival at the farm. The stud fee is non-refundable once breeding has taken place, except as provided under the Live Foal Guarantee below.

4. Live Foal Guarantee

The Stud guarantees a live foal, defined as a foal that stands and nurses unassisted. Should this guarantee not be met, the Stud will offer a no-fee return breeding to the stallion in the following breeding season, subject to the stallion's availability and the mare being confirmed healthy and able to be rebred.

5. Health Requirements

Before arrival, the mare must be accompanied by current negative test results for Equine Viral Arteritis (EVA), Contagious Equine Metritis (CEM), Dourine, and Equine Infectious Anaemia (Coggins/EIA).

All testing costs are for the Owner's account. The Stud reserves the right to decline or delay breeding if these requirements are not met, or if the mare is found unfit on arrival.

6. Mare Care While On Farm

Transport of the mare to and from Wasserfallei is arranged and paid for by the Owner. Boarding, feeding, and day-to-day care arrangements for the mare's stay will be discussed and agreed between the Stud and the Owner prior to the mare's arrival.

7. Liability

The Stud will take all reasonable care of the mare while she is on the farm. The Stud is not liable for injury, illness, loss, or death of the mare arising from causes beyond its reasonable control, including but not limited to accident, disease, or natural events.

8. General

This agreement is governed by the laws of the Republic of Namibia. Any amendments must be made in writing and signed by both parties.
